MANAGED SIEM EVALUATION MATRIX

clarify360.com

Once you understand what features, functionalities, and services are important to you in a Managed Security Information and Event Management (SIEM) provider, you can more accurately evaluate potential solutions.
Not sure which features or services are your top priority? Use our Managed SIEM Priorities Checklist!

This *Evaluation Matrix* makes it easy to compare service providers side-by-side.
Give each provider a score of 0-5 based on how well they meet your needs in a specific area.
Don't have time to evaulate solutions yourself? Clarify360 can help!

MANAGED SIEM EVALUATION MATRIX

Compare Vendors

Vendor:	Vendor:	Vendor:
Total	Total	Total

These scores will give you a general idea of which vendor may be the better solution for your needs, but it should only be used as a guide. Speaking directly to the vendors or working with an experienced IT Consultancy is still critical to the vendor selection process.

About Clarify360

Clarify360 is a technology sourcing and consulting provider specializing in the discovery, planning, and migration of cloud / colocation, connectivity, collaboration, and security deployments globally. Our key goal is to shorten the IT procurement process for our clients while optimizing costs and ROI. With roots in network connectivity and telecommunications dating back more than two decades, reducing complexity and leveraging IT savings for our clients is part of our DNA.
