ZERO TRUST NETWORK ACCESS (ZTNA)

Vendor Comparison Worksheet

clarify360.com

Zero Trust solutions offer a deeper level of network control and overall security by granting access only on an as-needed basis. This Vendor Comparison Worksheet makes it easy to compare features, functionality, and offerings side-by-side.

Considering ZTNA? Clarify360 can assess your needs and help you find the right vendor.

Access Features	Vendor:	Vendor:	Vendor:
Infrastructure fully under your control (no data visible to vendor)
